Dimock Daily Report

Date: March 7, 2012

FIELD ACTIVITY

Water Supply (Gerald Heston)

- The delivery of water to four homes continues.

Water Sampling (Gerald Heston)

- The Site Team has not yet heard back from the resident whose sampling was cancelled yesterday - we therefore have not been able to reschedule the sampling. One home is scheduled to be sampled with splits on March 8, 2012. There are currently four (4) homes where we are still attempting to schedule well sampling. Of these four, one homeowner will not be back in the area before April.
- After tomorrow, sampling operations will be suspended while the analytical data is being received, reviewed and collated. EPA continues to review data submitted by Cabot in response to the information request.

Dimock Executive Summary							3/7/2012
Sampling Categories	Survey		Appointments		Splits with PADEP	Splits with Cabot	Sampling Done
	Surveys Received	followup needed	Appointments Scheduled	to be scheduled			
CO&A List	20	1	20	1	6	5	18
Historical Sampling	44	2	44	3	36	36	41
Added on Criteria	1	0	1	0	1	1	1
Unaccounted	0	1	0	0	0	0	0
Subtotal	65	4	65	4	43	42	60
TOTALS	69		69				
*Unaccounted category includes homes that were sent certified letters due to disconnected phone - not counted in appointment to be scheduled. Also note that the discrepancy between Sampling Done and Appointments Scheduled is because some homes shared a well and only one home was sampled.							

COMMUNICATIONS

- The region is working with Pamela Janifer in the Office of Congressional Relations to schedule a briefing for Congressman Marino's staff. PADEP is expected to participate in this briefing as well.

LEGAL ISSUES

- None reported.

Please let us know if you have questions or need more information.
